Hot Lunch	What is a healthy portion size of meat according to the USDA?		The USDA promotes portion control through the MyPlate guidelines,		
	Meats (each counts as 1 serving): 2 to 3 ounces cooked lean beef, pork, veal, or lamb without bone. 2 to 3 ounces cooked poultry without skin or bone. 2 to 3 ounces cooked fish without bone.		which recommend making half your plate fruits and vegetables.		
			It also emphasizes controlling portions at restaurants, reading food		
			for serving sizes, and using measuring cups and serving utensils		
			to ensure consistent and appropriate amounts.
